Consumer Information

**Financial Aid**

All institutions offering federal financial aid programs are required to inform enrolled and prospective students, descriptions of all Title IV, HEA funds available including both need-based and non-need based programs. John A Gupton College offers grants, loans, and scholarships. Assistance is provided by the Financial Aid Department. See the Financial Aid page on the Gupton Website: <http://guptoncollege.edu/financial-aid-2/>

**Federal Loan Entrance and Exit Counseling Information**

Loan Counseling is required for all students who borrow federal loans, both for first time borrowers and when exiting the school. <http://guptoncollege.edu/financial-aid-2/loan-counseling/>

**The National Student Loan Data System**

The Student Guide to Financial Aid makes public the fact that all students and their parents who wish to use loans through the Stafford Direct Loan Program are required by the US Department of Education to have such loan information submitted to the National Student Loan Data System (NSLDS).

**Net Price Calculator**

This calculator is intended to provide estimated net price information (defined as estimated cost of attendance – including tuition and required fees, books, supplies, room and board (meals), and other related expenses – minus estimated grant and scholarship aid) to current and prospective students and their families based on what similar students paid in a previous year. <http://guptoncollege.edu/financial-aid-2/net-price-calculator/>

**Vaccination Policy**

All students are required to provide a record of immunizations upon acceptance into the program. A blank form will be included with your acceptance letter or you may print one from the link below. Before registration the completed form must be submitted. You may obtain the Health Form via the John A. Gupton College website: <http://guptoncollege.edu/admissions/health-form-2/>
